

Our Specialty Reviews provide expertise precisely when and where you need it.

Revenew delivers specialized knowledge and experience precisely when and where you need it. From complex purchase sale agreements requiring review for contract compliance to support on investigations, claims or disputes, our experts will conduct root-cause analyses and provide value-added recommendations that can be implemented in real time to improve company processes and controls.

“Revenew’s process improvement suggestions exceeded my expectations, and the dollars recovered were greatly appreciated by our operations team.”

SPECIALTY REVIEWS

Our Specialty Reviews focus on contract compliance as well as key capital and operational areas. With the depth of experience and skills needed to get to the root cause, Revenew’s experts find and surface issues quickly to formulate recommendations that management can understand and implement, sometimes while the review is being conducted. By employing our unique methodology, we help clients to identify – and remedy – gaps in processes and controls to keep project completion on schedule and operations online.

- Purchase sale agreements
- JV agreements
- O&M agreements
- Major construction
- Insurance
- Bonds
- Disputes
- Claims
- Investigations
- Litigation support

PERFORMANCE REVIEWS

During Performance Reviews, our experts focus on key contract metrics and functional areas to ensure that tasks are being performed to the specifications of a contract or functional area. Revenew’s team has experience working within industry and have personally performed many of the roles and challenges our clients are faced with. They apply root-cause analyses to identify and surface issues, ultimately making recommendations that help our clients better manage vendors, suppliers and contractors.

- Cost
- Schedule
- Environmental
- Health & safety
- Security
- Quality
- Strategic sourcing
- Materials management
